In the Matter of

APPLICATION FOR CONSENT TO TRANSFER)
OPERATION OF RADIO STATION KSC 870)
FROM RADIOPAGING AND RADIOTELEPHONE) CASE NO. 7877
INC. TO LOUISVILLE 2-WAY RADIO)
SERVICE, INC.)

O R D E R

On August 1, 1980, the Commission issued its Order in the above-styled Case, granting the requested transfer of the Certificate of Public Convenience and Necessity held by Radiopaging and Radiotelephone, Inc. (Paging) to Louisville 2-Way Radio Service, Inc. (Applicant). On October 1, 1980, Applicant filed with the Commission a request to amend that Order so as to provide not only that the Certificate held by Paging be transferred to Applicant, but also that Paging's Certificate be merged into Applicant's existing Certificate and thereby effectively cancelled.

The Commission, after consideration of this request, and being advised, is of the opinion and finds that Applicant's request should be granted, since this will allow Applicant to perform business under one Certificate and one set of tariffs and file one set of reports to the Commission, instead of two.

IT IS THEREFORE ORDERED that the Commission's Order in Case No. 7877, dated August 1, 1980, is amended to the extent that the Certificate of Public Convenience and Necessity held by Radiopaging and Radiotelephone, Inc., be and it hereby is transferred and merged into the Certificate of Louisville 2-Way Radio Service, Inc., and thereby effectively cancelled.

IT IS FURTHER ORDERED that all other provisions of the Commission's Order entered August 1, 1980, not in conflict with this Amended Order shall remain in full force and effect.

Done at Frankfort, Kentucky this 10th day of October, 1980.
